

Trisha Dring
Thesis Design Brief

Concept: Improve the weighing of high school and middle school dismissals. This includes kids getting picked up, and how it affects college shuttles and traffic around the college.

Week of

March 20th	Research/ Create survey and ask people questions
March 27th	Continue getting results from questionnaire think of possible Solutions
April 3rd	Prototyping Phase 1
April 10th	Prototyping Phase 2
April 17th	Designing Phase 1
April 24th	Finishing Touches/ Presentation
